This document has been produced by Morningstar Investment Management Europe Limited, which is authorised and regulated by the Financial Conduct Authority to provide services to Professional clients. Morningstar's fund research and rating activities are not undertaken by Morningstar Investment Management Europe Limited and as such are not regulated by the Financial Conduct Authority.

The information presented herein does not constitute investment advice; is provided for information purposes only; is provided as of the date written; and is subject to change without notice. Every effort has been made to ensure the accuracy of the information provided, but Morningstar Investment Management Europe Ltd makes no warranty, express or implied regarding such information. The information presented herein will be deemed to be superseded by any subsequent versions of this document. Except as otherwise required by law, Morningstar Investment Management Europe Ltd shall not be responsible for any trading decisions, damages, or other losses resulting from, or related to, this information, data, analyses, or opinions or their use. The value of investments may go down as well as up and an investor may not get back the amount invested. Reference to any specific security is not a recommendation to buy or sell that security. It is important to note that investments in mutual funds involve risk, including as a result of market and general economic conditions and will not always be profitable.

Morningstar Analyst Ratings are subjective in nature and should not be used as the sole basis for investment decisions. Analyst Ratings are based on Morningstar analyst's current expectations about future events and involve unknown risks and uncertainties which may cause Morningstar's expectations not to occur or to differ significantly from what we expected. Morningstar does not represent its Analyst ratings to be guarantees nor should they be viewed by an investor as an assessment of a fund's or the fund's underlying securities' creditworthiness. Morningstar Analyst Ratings are provided as of the date of this report and are subject to change at any time and without notice. Please see www.morningstar.co.uk for the latest Ratings.
