

Change to product details

In this form, 'Aegon' means:

- Cofunds Limited where you're completing this form for an Aegon General Investment Account (GIA) or an Aegon Individual Savings Account (ISA), or
- Scottish Equitable plc where you're completing this form for an Aegon Self-invested Personal Pension (SIPP).

This form lets you change the product details for your Aegon SIPP, Aegon ISA or Aegon GIA held on the Aegon Platform or held as part of another provider's product. It can't be used to make any changes to an Aegon Retirement Choices account. To change your personal details, please complete the 'Change of customer details form'.

You should complete separate forms for each product you want to update.

Please complete section 1, 7 and the section(s) that apply to you.

Section 2 – choose how income distributions from income generating funds, if you hold any, are dealt with on receipt in your account.

Section 3 – start, change or cancel a regular withdrawal instruction for your Aegon ISA and Aegon GIA only.

Section 4 – provide bank account details for payment of any consolidated natural income or withdrawals for your Aegon ISA and Aegon GIA only.

Section 5 – tell us what investments to sell if we need to automatically top up the cash in your cash facility to cover charges or withdrawals.

Section 6 – redirect charges from your product detailed in section 1 to your Aegon GIA.

If your instruction relates to your Aegon ISA, please note that the flexible ISA subscription rules introduced on 6 April 2016 don't apply to your Aegon ISA. This means you won't be able to replace any withdrawal you instruct us to make under section 2c, 3a or 3b without it counting against your annual ISA allowance.

Please complete this form in BLOCK CAPITALS and in ballpoint pen and return it and any additional information to Aegon Cofunds Administration, PO Box 17491, Edinburgh, EH12 1PB.

2. Investment income distribution options

If you have income-generating investments, this section lets you choose how any income distributions paid from those investments should be dealt with when we receive them from the investment provider. We'll apply your selection to all income-generating investments you hold within the product detailed in section 1.

The flexible ISA subscription rules introduced on 6 April 2016 don't apply to our Aegon ISA. This means if you make a withdrawal from this Aegon ISA you won't be able to replace it without it counting against your annual ISA allowance for the current tax year.

- For any income units/shares you hold and if you don't tick one of the boxes below, we'll apply your existing income option.
- If you wish to take consolidated natural income and you're currently taking regular withdrawals, you should cancel your regular withdrawal instruction by ticking box c in section 3.

If you choose 'consolidated natural income', this will count as a withdrawal from your Aegon ISA.

Please tick one of the following options. If you have an Aegon SIPP you can choose between option **a** and option **b** only. If you have an Aegon GIA or ISA, you can choose from all three options.

- a** Retain in fund (default) – reinvest any income back into the same fund.
- b** Leave in cash – pay any income into the cash facility.
- c** Consolidated natural income – pay any income received to your nominated bank account as a monthly payment, but only if income is received from investments. Complete section 4 to nominate a bank account.

3. Regular withdrawals

This section applies to Aegon ISA and Aegon GIA products only and lets you start, change or cancel regular withdrawal instructions from the cash facility of the product you have chosen in section 1.

If you don't have enough cash in the relevant cash facility we may have to sell some of your holdings, if you have any, to cover any withdrawals due. If we have to sell investments from your Aegon GIA this could create a capital gains tax liability, depending on your personal circumstances. Please see your Key features and the Aegon Platform terms and conditions for details.

If you have chosen consolidated natural income in section 2 and you are currently taking regular withdrawals from the product this instruction applies to, you should cancel your regular withdrawal instruction by ticking box c below.

I want to:

- a** Start a regular withdrawal.
- b** Change an existing regular withdrawal.
- c** Stop regular withdrawals.

If you have selected **a** or **b**, please provide the following details:

Starting or changing a regular withdrawal details – new details

Regular amount

We'll pay this amount every month, quarter, half-year or year as selected in the withdrawal frequency section opposite.

Do you want your regular withdrawal to increase each year?

- No
- Yes – by the Retail Prices Index
- Yes – by a fixed amount of 1% to 5%

 %

or

Percentage of product value

 %

Percentages are calculated as a monetary amount based on the product value when the withdrawal is processed.

For example, if you select to receive withdrawals of 10% on a monthly basis, we'll calculate 10% of your product value each month and then divide this by twelve. This means that your monthly withdrawal amounts will vary.

Withdrawal frequency

- Monthly Quarterly
- Half yearly Yearly

Payment day

- 9th 18th 27th

Your withdrawal will be paid out of your product on the day selected and will take approximately three additional business days to clear into your chosen account.

Start date

Please choose the month in which you want to make your first withdrawal.

M	M	2	0	Y	Y
---	---	---	---	---	---

If we receive this form within ten working days of the requested start date, we'll start withdrawals from the following month.

4. Bank details for withdrawals or payments out of investment income

This section applies to Aegon GIA and Aegon ISA products only. Please provide details of the bank/building society account your consolidated natural income or withdrawals are to be paid into. Payments can only be made to a personal account in your name.

If this is the first payment to your nominated bank account, a certified copy of your bank statement may be required. A certified copy of your driving licence may also be required as proof of signature. We'll contact you if we need this.

For information on who can certify a document and how they do it, log on to your dashboard and search our FAQs.

5. Cash facility top-up instruction

This section lets you tell us what investments we should sell if we need to automatically top up the cash in your cash facility to cover charges or regular withdrawals, where applicable.

You can set up a new instruction, or change an existing instruction, in this section.

If you don't select an option below, we automatically use the largest value investment available – you don't need to tell us to do this. Please tell us if you want to either:

Nominate an existing fund to sell from

Nominated fund name

Sedol code (this is shown in your Key Investor Information Documents (KIID))

Change from a nominated fund to the largest value investment available.

6. Redirect charges

This section lets you redirect charges due from your product detailed in section 1 and have them paid instead from your Aegon GIA.

If you would like to set up a Direct Debit for these charges please speak to your intermediary.

Product name

Aegon General Investment Account

Aegon GIA product number (this is the Aegon GIA charges are to be directed to)

8

If you don't have enough cash in your Aegon GIA's cash facility to pay a charge when due we may have to sell some of your Aegon GIA holdings if you have any. If we have to sell investments this could create a capital gains tax liability, depending on your personal circumstances.

If you don't have enough in your Aegon GIA product, cash and investments, to pay a re-directed charge we'll direct the charge back to the product it was due under and deduct it from that product.

Please see your Key features and the Aegon Platform terms and conditions for details.

7. Declaration

In this declaration:

'I' or 'my' refers to you, the product or primary holder named in section 1, and

'We' or 'us' refers to all holders, as named in section 7, of an Aegon GIA, and

'Aegon' refers to:

- Cofunds Limited where your request is in respect of an Aegon GIA or an Aegon ISA, or
- Scottish Equitable plc where your request is in respect of an Aegon SIPP.

An Aegon GIA includes where it has been opened through a product taken out with another provider, that is; a Cofunds Pension Account, a Suffolk Life SIPP, a Legal and General Portfolio Plus SIPP or Pension, an AJ Bell Investcentre SIPP, a Canada Life International Assurance (Ireland) International Portfolio Bond or a Canada Life International Portfolio Account.

I/We authorise Aegon to carry out the instructions as set out by me/us in this form.

I/We declare that:

The information supplied in this form is true and complete to the best of my/our knowledge and belief.

I/We have had the opportunity to read the Aegon Platform terms and conditions, the additional Aegon SIPP terms and conditions (where applicable), and conditions that may apply to the actions I/we want to take, and have discussed this my/our intermediary if I/we have one.

Where I/we have completed section 2c, and are currently taking regular withdrawals from the product, I/we have completed section 3c to cancel the regular withdrawals.

Where I/we have completed section 3a or 3b, if the amount available in the product's cash facility does not meet the amount of the regular withdrawal requested, I am/we are aware that Aegon will sell the largest value investment to cover any shortfall, unless I/we have instructed otherwise.

Where I/we have completed section 6, the Aegon GIA detailed in that section and the product detailed in section 1 are associated under the same service profile.

Where this request relates to my Aegon ISA and I have completed section 2c, 3a or 3b, I have been informed that my Aegon ISA is not a flexible ISA and I can't replace an amount taken from it into any ISA without that replacement counting towards my ISA allowance for the current tax year.

Where this request relates to an Aegon GIA, I/we are aware that there may be a Capital Gains Tax liability where any investments are sold to pay the requested withdrawal amount in section 3, or redirect charges in section 6.
