Advice

Before making any decisions about taking your pension benefits you should also get advice from a financial adviser. If you don't have a financial adviser, you can visit **moneyhelper.org.uk/choosing-a-financial-adviser** to find one.

The regulations require you, or your adviser if they're completing the form on your behalf, to confirm the following options before we can proceed with your transaction. If you plan to take guidance and/or advice you should do this before completing this form.

Section 4

Expression of wish

4A. Who should receive benefits?

You should complete this section to tell us who you wish to receive benefits from your plan if you die.

Please confirm how you would like your beneficiaries to be updated:

<input checked="" type="checkbox"/>	I would like the current beneficiaries for my non-drawdown funds to apply to the drawdown funds (go to Section 5, if applicable).
<input checked="" type="checkbox"/>	I would like the beneficiaries below to apply to all of my pension funds.
<input checked="" type="checkbox"/>	I would like the beneficiaries below to apply to my drawdown funds only.

i Please refer to the Aegon Platform terms and conditions for your plan details of the different ways death benefits may be received.

4B. Declaration

Please read the declaration before entering details of beneficiaries.

On my death, I wish the scheme administrator to pay any benefits from my plan(s) to the beneficiaries, and in the proportion set out.

I accept that this is only an expression of my wishes. I understand that whilst the scheme administrator will pay due consideration to those wishes, they have absolute discretion as to the beneficiary(ies) and to the proportions of benefits paid to each beneficiary unless otherwise provided by law.

I understand that if the scheme administrator chooses a beneficiary who has not been named in sections 4C or 4D, drawdown income would normally only be available in limited circumstances. Therefore, in addition to the above named beneficiaries, in order to allow the administrator to pay drawdown income to as wide a range of beneficiaries as possible and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.

I understand that I can change the beneficiaries at any time and that the scheme administrator will refer to the last completed form held.

4C. Details of Beneficiaries

If you wish to name more beneficiaries than the spaces allow for, please continue on a separate sheet and attach it to this form.
The percentages in Section 4C should add up to 100%.

Please answer the following question.

Prior to applying to take benefits have you taken advice in relation to flexi-access drawdown from an authorised adviser?

<input type="checkbox"/>	Yes please go to section 6.
<input type="checkbox"/>	No* please answer the below questions to highlight the risks of flexi-access drawdown.

* Having considered the matter, I will not be seeking financial advice and accordingly I wish to deal with Curtis Banks on an execution-only basis on making the application to take benefits under flexi-access drawdown. As an execution-only client I confirm that I have received all relevant key features documents, including personal illustration(s).

The Financial Conduct Authority requires us to make sure you have considered the potential risks of accessing your pension benefits. We are required to ask questions about your circumstances, so that we can provide warnings about the risks which might apply to you.

Once we have received your answers to the below questions, we will send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your flexi-access drawdown request until we have received this signed declaration. We can accept copies by fax 0370 414 8000 or email to benefitsteam@suffolklife.co.uk if this is more convenient for you.

Please note that this exercise is only intended to highlight potential risks - your answers won't affect your options.

We will not be able to process your retirement benefits until we have received this signed declaration. We can accept scanned copies by fax 0370 414 8000 or by email benefitsteam@suffolklife.co.uk. As email isn't a secure method of communication, please don't send any personal, financial or banking information.

Guaranteed income (not required for switches from capped to flexi-access drawdown)

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

Tax (not required for switches from capped to flexi-access drawdown)

Aside from your tax free cash entitlement, any money you take from your pension is taxed as income. It is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax deducted from the payment is not the final amount due, you may need to pay additional tax at the end of the year. Are you confident that you fully understand the tax implications of the option you've chosen?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

Investment scams

Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

Health

Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

Inflation

When planning your long term income needs you need to take into account of future inflation, which will erode the buying power of your money. For example, if inflation is 3% p.a., £1 today will be worth 74p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No/unsure

Debt

Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?

☒ Yes

☒ No
Benefits

Are you aware that taking money from your pension could affect your entitlement to means-tested benefits?

☒ Yes

☒ No
Ongoing income

Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?

☒ Yes/unsure

☒ No
Contributions

The annual allowance is the maximum amount that you, or anyone on your behalf, can contribute to your pensions each year without incurring a tax charge. It is currently £60,000. If you take income whilst in flexi-access drawdown, your annual allowance for money purchase pensions, such as your Cofunds Pension Account, will reduce to £10,000. Are you, or anyone on your behalf, likely to contribute more than £10,000 to money purchase pensions in the future?

☒ Yes/unsure

☒ No

i Means tested benefits include, housing benefit, council tax deductions, income support, Universal Credit, income-based jobseeker's allowance and any benefit that pays for long term care.

Further investment

If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?

☒ Yes/not applicable

☒ No/unsure
Inheritance tax (not required for switches from capped to flexi-access drawdown)

Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is held outside your estate and is highly unlikely to be subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?

☒ Yes

☒ No/unsure
Shopping around

There are several ways in which you can access your pension savings. Different products, with different options and charges, are available from various providers. We recommend that you research the options available to you. Are you happy that you've researched your options and have made an informed choice?

☒ Yes

☒ No/unsure
Beneficiaries

When you die, the remaining money in your pension can pass to beneficiaries, such as a spouse or other family members. ☒ Yes/unsure

- The date on which you receive the completed flexi-access drawdown application;
- The date of receipt of the final transfer in set out in my initial application form from which I wish to take benefits; or
- The date that I reach the minimum retirement age

I authorise you to deduct any tax charges from my plan on the date that funds are designated.

Where applicable, I authorise Curtis Banks to provide details to MoneyHelper.

I confirm, where a tax-free lump sum is payable, that I will not be recycling the lump sum as described below.

Lump sum recycling is defined in Schedule 29 of the Finance Act 2004 and is where a tax-free lump sum is paid by a registered pension scheme and:

- As a result of this the amount of the contributions from all sources is more than 30% of the contributions that might have been expected based on previous contributions; and
- The recycling was pre-planned; and
- The amount of the total tax-free lump sum paid in the previous 12 months exceeds £7,500; and
- The cumulative amount of the additional contributions exceeds 30% of the tax-free lump sum payment.

I acknowledge that by taking any income under flexi-access drawdown, contributions to all of my money purchase pensions will be subject to the Money Purchase Annual Allowance, if they are not already.

I understand that once all units have been applied to drawdown and no undrawn units remain. Any further undrawn transfers will require the establishment of a new pension

I have supplied all the necessary information and documentation requested to enable Curtis Banks to carry out the lifetime allowance test.

I understand that where the sell down option has been selected, it will be Aegon and not Curtis Banks who shall be responsible for ensuring this instruction is processed.

7C. Declaration (all cases)
