## 3. Investment income options

---

If you have income-generating investments, this section lets you choose how any income distributions paid from those investments should be dealt with when we receive them from the investment provider. We'll apply your selection to all income generating investments you hold within the Aegon ISA.

The flexible ISA subscription rules introduced on 6 April 2016 don't apply to our Aegon ISA. This means if you make a withdrawal (consolidated natural income and/or regular withdrawals) from this Aegon ISA you won't be able to replace it without it counting against your annual ISA allowance for the current tax year.

**If you have an existing Aegon ISA with us:**

- For any income units or share you hold and you don't tick one of the boxes, we'll apply your existing income option
- If you want to take consolidated natural income and you're currently taking regular withdrawals, please select 'consolidated natural income' below and we'll cancel your existing regular withdrawals.

Please tick one of the following options:

**Reinvest in fund (default)** – reinvest any income received back into the same fund.

**Leave in cash** – pay any income into the ISA cash facility.

**Consolidated natural income** – pay any income received to your nominated bank account as a monthly payment. (Complete section 5 to nominate a bank account.)

If you choose consolidated natural income or regular withdrawals, this will count as a withdrawal from your Aegon ISA.

## 4. Regular withdrawals

---

This section lets you take a regular withdrawal from your ISA.

You can't take regular withdrawals if:

- you're making regular payments into your ISA.
- you chose consolidated natural income in section 3.

### Regular withdrawal amount

Do you want your regular withdrawal to increase each year?

- No
- Yes – by the Retail Prices Index
- Yes – by a fixed amount of 1% to 5%

or

### Percentage of product value

 %

Percentages are calculated as a monetary amount based on the product value when the withdrawal is processed.

For example, if you select withdrawals of 10% on a monthly basis, we'll calculate 10% of your product value each month and then divide this by twelve. This means that your monthly withdrawal amounts will vary.

### Withdrawal frequency

- Monthly  Quarterly
- Half yearly  Yearly

### Payment day

- 9th  18th  27th

Your withdrawal will be paid out of your product on the day selected and will take approximately three additional business days to clear into your chosen account.

### Start date

Please choose the month in which you want to make your first withdrawal.

If we receive this form within ten working days of the requested start date, we'll start withdrawals from the following month.
