

2. Regular payment

This section lets you tell us the new monthly regular payment amount you want to pay. The new regular payment amount you select will replace any previous instruction and is the new amount we'll collect from the start date you choose below. If you need to set up a new Direct Debit, please download a Direct Debit instruction from the Aegon website.

2.1 I want to:

- Start a regular payment
- Change an existing regular payment
- Cancel an existing regular payment

Please invest my new regular payment amount as follows:

- Using my existing investment strategy
- In-line with my new investment strategy as set out in section 3.

We must receive this form 17 working days before your chosen date, otherwise your first collection will be the month after.

2.2 Occasionally we might need to know where your funds have come from. Your source of funds is the details of the bank account that your money to invest comes from.

4. Investment income options

If you have selected income generating investments, this section lets you choose how any income distributions paid from those investments should be dealt with when we receive them from the investment provider. We'll apply your selection to all income generating investments you hold within the product detailed in section 1.

If you wish to take consolidated natural income and you're currently taking regular withdrawals, please select 'consolidated natural income' below and we'll cancel your existing regular withdrawals.

- Reinvest in fund (default)** – reinvest any income received back into the same fund.
- Leave in cash** – pay any income into the product cash facility.
- Consolidated natural income** – pay any income received to your nominated bank account as a monthly payment. (Complete section 5 to nominate a bank account)

If your instruction relates to an Aegon ISA and you've chosen consolidated natural income, this will count as a withdrawal from your Aegon ISA. If your instruction relates to your Aegon ISA, please note that the flexible ISA subscription rules introduced on 6 April 2016 don't apply to the Aegon ISA. This means if you make a withdrawal from this ISA you won't be able to replace it without it counting against your annual ISA allowance.

5. Bank details for payments out of investment income

Please provide details of the bank/building society account your consolidated natural income is to be paid into. Payments can only be made to a personal account in your name.

If this is the first payment to your nominated bank account, you may need to give us a certified copy of your bank statement and driving licence (as proof of signature). We'll contact you if we need this.

Rather than send us an original document, send us a certified copy, please see the 'Who can certify a document and how do they do it?' FAQ on our website for how to do this.
